What is Fuelfed Motor Market?

Fuelfed Motor Market is the classic way to buy and sell used European vehicles.

From classics to cool daily drivers and modern sports cars...simple old school

classified listings of great vehicles.

These 2 sections need to be swapped. Our main goal is getting members.

Benefits of Membership (split for buyer and seller)

- Cost-Effective Listings: List your first car for free, only \$20 for each additional listing. NO additional sales fee or huge commissions!
- Privacy and Security: Avoid scammers and deal with real people. Only Fuelfed Motor Market members can contact sellers.
- VIN is only visible by Members and never appears in google searches
- Exclusive Access: Members get access to new listings 48 hours before they go public.

Basic intro questions in BOLD: All open field – sample answers as examples

Current condition:

What condition is the car? (Select one) Show perfect, local hero, driver, non-running, project (select one)

How long have you owned the vehicle? 18 months

Any rust or evidence of damage? No, its a clean Colorado car

What is the current condition of the paint? Paint is shiny with 2-3 little blemishes, but nothing major.

What is the current condition of the interior? Excellent condition, no rips or tears, and everything works as expected. Front seats recently recovered using correct OEM cloth material. Extra material included in sale.

What is the current condition of the engine? Recent oil change, starts up as it should and sounds amazing. Accelerates smoothly, see the cold start and driving videos.

What is the current mechanical condition of the rest of the car? Regular service with receipts including recent brake pads and rotors. Transmission shifts smoothly, no squeaks or rattles from the suspension.

Any modifications, if so what changes and when? None, bone stock!

How old are the tires and how is the tread? Tires are from 2023 and have plenty of tread.
